

Exchange Health Assessment

Project Leadership Associates (PLA) is offering a **no-cost** one-day Exchange Health Assessment (valued at \$1,200) for any organizations that attend today's user group meeting. Any organization may sign up for this assessment regardless of size.

A PLA Senior Consultant will work with your IT staff and evaluate your current messaging deployment. The Senior Consultant will analyze the findings and deliver an Executive Summary with recommendations that focus on the following critical areas:

- **Active Directory Health**
- **Overall Messaging Architecture**
- **Exchange Server Design**
- **High Availability and Disaster Recovery**
- **Exchange Security**
- **Anti-virus / Anti-spam**
- **Messaging Management and Monitoring**

Please fill out the form below and fax it to Grace Kalita at (312) 441-0088. We will contact you shortly to schedule the assessment.
